

LUCAS AZ 3 ½" ROOF BALLAST
PRODUCT DATA SHEET

GENERAL DESCRIPTION:

Lucas 3 ½" AZ Ballast is a brown buff colored, very smooth, naturally rounded aggregate.

BASIC USE:

Lucas 3 ½" AZ Ballast is used as a roof ballast on single ply type roof systems, primarily around the perimeter and for roofscape decorative purposes.

Architects and roof membrane manufacturers specify this ballast for it's exceptional smoothness and designer properties.

Available in 3,000 LB super-sacks and bulk end dump
